

# Activity

## Discuss

If you were to mint your own coin what would it look like? Use your creativity and imagination to answer the following questions:

- What shape would your coin be?

- What symbols would you choose to put on the 'obverse' and the 'reverse'?

- How would you decorate your coin?

Would you like to use your image with your name, your favorite animal, plant or an object?

- What will the motto on the coin be?

Would you like to put a title like 'Warrior king or queen' or a line from your favorite poem or song?

# Design

Draw both the obverse or head and reverse or tail of the coin.

Using all the elements of a coin that you've learnt about in this module like,

- Name of the ruler
- Name or mark of mint
- Date or year on the coin
- Type of metal for your coin (colour)

# Describe

Record a video to show us your coin and describe its features.
